Profile Summary

A recent Bachelor of Computer Applications (BCA) graduate from LPU with a strong foundation in computer science and practical experience in web development projects. I have also gained hands-on experience as a Data Entry & ERP Assistant at Vardaman Yarns & Threads LTD, where I managed data workflows using JDE and ERP systems. I am proficient in various programming languages, data structures, and algorithms, and am passionate about applying my technical skills to solve real-world problems.

Education

Lovely Professional University (LPU)

Bachelor of Computer Applications (BCA) in Computer Science

Jalandhar, India

June 2022 – June 2025

- CGPA - 6.67/10

- Applied theoretical knowledge into practice by developing real-world projects and gaining exposure to industry tools and ERP systems.

Experience || Internships
